1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section <u>must</u> be completed. Attach additional information if necessary.)

I am a resident of Tega Cay and a customer of Utilities, Inc for water and sewer.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

The proposed rate increases are OUTRAGEOUS. I am new to the area. My monthly bill here is approximately the same as my previous locations quarterly bill for approximately the same water usage. I have needed service only once when I had a water main break. It was on my property and I knew it was my responsibility. I called to have someone come to shut off the water. The man I spoke to was NOT enthusiastic about coming and it would take him over an hour to get to my house, so he suggested I shut it off myself. I was home alone at the time and unsure I had the strength to do it. I went out and tried and could not get it turned off. A man out walking his dog did it for me. So the "service" was no service at all. I understand that there has been several rate increases recently with no improvements made by Utilities, Inc until they were REQUIRED to invest in Tega Cay due to a regulatory consent order.

Please do not allow this irresponsible company to have another rate increase.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

No
